

EALING DEAN ALLOTMENT SOCIETY

MINUTES OF COMMITTEE MEETING WEDNESDAY 4TH JUNE 19.30

PRESENT: Mark Tompsett, Crispin Harris, Simon Coleman, Jon Wilkins. Christina Fox. Sonia from Hazelmere.

Apologies from Kim Tompsett and Christine Charles

One item on the agenda: the agreement document with Pathways.

1. Changes for Hazelmere are "purely cosmetic"
2. It is a working document and we won't know what is coming up until it comes up.
3. The review of the agreement in January gives the possibility of change before new agreements with tenants.
4. January AGM allows the new committee time to implement revisions.
5. It would be ideal to turn the abstract 75% into concrete figures.
6. Any generated funds would come under the heading of Events Organisation and would be for the use and benefit of the allotments.
7. Part of the new journey is to keep all the finances in credit.
8. Christina signed and will take the agreement into the office.
